AYSO KIDS ZONE PLEDGE v31613

when they are emotionally healthy, so I will be positive and supportive. 3. I will redefine what it is to be a Winner in my conversations with my child. Winners are people who make the maximum effort, continue to learn and improve, and do not let mistakes, or fear of making mistakes, discourage them. I understand that mistakes are an inevitable part of any game and that people learn from their mistakes. I understand that all children are born with different abilities and that the true measure of success is not how my child compares to others, but how he/she is doing in comparison to his/her best self. 4. I will Honor the Game. I understand the importance of setting a good example of sportsmanship for my child. I will show respect for all involved in the game including coaches, players, opponents, opposing fans, and referees. I understand that officials, coaches, and players make mistakes. If the referee makes a call I do not agree with, I will refrain from questioning, insulting or making personal attacks against him or her. 5. I understand that games can be exciting for my child as he/she deals with the fast-paced action of the game, responds to opponents, referees, teammates, and listens to coaches. I will not yell out instructions. During the game, I will make only sportsmanlike comments that encourage my child and other players on both teams. 6. I will not make negative comments about the game, coaches, referees or teammates in my child's presence. This sets a bad example, which can negatively influence my child's motivation and overall experience. I agree to act in a sportsmanlike manner and make every effort to foster a friendly and nonviolent atmosphere. I agree to honor the AYSO Parent Pledge in my words and actions.
